

## St. Nicholas Scholarship Application

The purpose of the St. Nicholas Scholarship is to provide temporary financial assistance to currently enrolled families who are unable to meet their tuition obligation to the school, and who would otherwise be forced to leave our community or decrease the days of attendance for their child(ren). This application is for a single month of financial support from the St. Nicholas Scholarship Fund. If your family requires more than one month of assistance, please reapply each month. Only families who have been with our community for a minimum of 3 months and have a currently enrolled child will be considered for this Scholarship. There is a 3 month limit per year for each family applying for this scholarship. Awards are typically 50% of your monthly tuition, but may vary based on the funds available and number of applicants. All information contained in this application is considered strictly confidential. This is an equal opportunity scholarship. Awards are given at the discretion of Missoula Christian Montessori School.

Once this application has been completed it may be returned to our classroom drop-box, given directly to the Head of School, or mailed to us at 301 S 6th St. W, Missoula MT, 59801
